

**REMARKS**

In the office action, claims 1-7 were allowed.

Applicant has amended independent claims 8, 12 and 18 to include the concept of mounting the chip in a well on the heat sink, as per claim 1. This should render these claims allowable for the same reasons that claim 1 was allowable.

The application is believed to be in condition for allowance. If any other fees are due, those fees should be charged to deposit account no. 50-0581.

Respectfully submitted this 28th day of February, 2005.
